

## Synopsis

The MoonBridge Way. This teen fiction series merges action, adventure, sci-fi and sci-fantasy. Expletive free, the adventures are sometimes scary, sometimes sad, often fun, wide in scope and complex in depth. Many lands, planets, civilisations and even universes dip in and out of MoonBridge Way Adventures. From many heroic individuals to evil villainous enemies, immortal beings to alien races and even an introduction to a time-shifting multiverse. The scale of adventures can be bewildering in extent.

### Book 1 – The MoonBridge Way – Opened

‘Opened’ follows young Jack Ferns on his discovery of the mystical portal, called the MoonBridge Way, and the initial destination parallel world of Danthienne. Here he gains new friends and loses some too. Engaging in many exciting adventures, he faces daunting challenges and dangerous foes. Gradually discovering the extent of his new-found powers, he learns some of its hidden secrets. The adventure stage is set for book two.

## **Book 2 – The MoonBridge Way – Broken**

‘Broken’ expands the horizons with new civilisations, new enemies, greater challenges, and threats to everyone’s existence. Our heroes must face great adversity, learn to cooperate, and carve new alliances to survive. Many diverse storyline threads commence and progress. Equally as many remain unresolved ready for the third episode.

## **Book 3 - The MoonBridge Way – Revealed**

‘Revealed’ brings the initial trilogy to a breath-taking close after so many characters and their predicaments are followed. Unexpected outcomes, strange new beings, unknown adversaries, and unimaginable threats face our heroes. Our allies clash with foes from multiple planets, other dimensions and alternate realities building to a cataclysmic climax.

## **Book 4 - The MoonBridge Way – Restored**

‘Restored’ commences seventeen Earth years after Jack Ferns and his pregnant sister, Tina-Lu, departed the mystical parallel world of Danthienne. Tina-Lu’s twin 17-year-old children, Ky and Mimi, have grown up on Earth during this intervening time. The twins realise they are different to all others but do not know the

reason. They are just beginning to discover their abilities. Their true heritage is kept a complete secret from them by their mother and uncle. The adventurers head into deeper mysteries than ever before.

## **Book 5 - The MoonBridge Way – Challenged**

‘Challenged’ the finale concludes the adventures from book four. Currently being written this is unlikely to be ready before late 2023.

Beware ‘The MoonBridge Way’ – once entered, you will never want to leave!
