

Beware 'The MoonBridge Way' – once entered, you will never want to leave!

Synopsis

The MoonBridge Way fiction saga merges action, adventure, sci-fi and sci-fantasy. Expletive free, the adventures are sometimes scary, sometimes sad, often fun, mysteriously mind-blowing, wide in scope and complex in depth. Filled with amazing characters, strange lands, bizarre planets, unique civilisations, and even multiple universes; each dip in and out of MoonBridge Way stories. Intrepid heroic individuals evolve to battle with the evil villainous enemies. Immortal beings oversee all, strange alien races contribute, and even a time-shifting multiverse adds to the mix. The scale of adventures can be bewildering in extent.

Book 1 – The MoonBridge Way – Opened

'Opened' follows young Jack Ferns on his discovery of the mystical portal, called the MoonBridge Way, and the parallel world of Danthienne. Here he gains new friends and loses others too. Engaging in exciting adventures, he faces daunting challenges and dangerous foes. Gradually discovering the extent of his new-found powers, he learns its hidden secrets. The adventure stage is set for book two.

Book 2 – The MoonBridge Way – Broken

'Broken' expands the horizons with new civilisations, new enemies, greater challenges, and threats to everyone's existence. Our heroes must face great adversity, learn to cooperate, and carve new alliances to survive. Excitingly diverse

storyline threads progress. Equally, others are still unresolved ready for the third episode.

Book 3 - The MoonBridge Way – Revealed

‘Revealed’ brings the trilogy to a breath-taking close after following so many characters and their predicaments. Unexpected outcomes, strange new beings, unknown adversaries, and unimaginable threats face our heroes. Our allies clash with foes from multiple planets, other dimensions, and alternate realities building to a cataclysmic climax.

Book 4 - The MoonBridge Way – Restored

‘Restored’ starts seventeen Earth years after Jack Ferns and his pregnant sister, Tina-Lu, left the mystical parallel world of Danthienne. Tina-Lu’s twin 17-year-old children, Ky, and Mimi have grown up on Earth during this intervening time. The twins realise they are different to all others but do not know the reason. They are just beginning to discover their abilities. Their true heritage, kept a complete secret from them by their mother and uncle, gradually unfolds. The adventurers head into deeper mysteries than ever before.

Book 5 - The MoonBridge Way – Resolved

‘Resolved’ will be the finale which concludes the MoonBridge Way adventures from book four.
